

HLTAID009 Provide cardiopulmonary resuscitation course description

<p>About this unit of competency</p>	<p>Description of Provide cardiopulmonary resuscitation course: This unit describes the skills and knowledge required to perform cardiopulmonary resuscitation (CPR) in line with the Australian Resuscitation Council (ARC) guidelines.</p> <p>This unit applies to all persons who may be required to provide CPR, in a range of situations, including community and workplace settings.</p> <p>Applicable Industries:</p> <ul style="list-style-type: none"> • Emergency responders • Childcare • Education • Medical professionals • Construction • Many more
<p>Training Program</p>	<p>This Provide cardiopulmonary resuscitation course is delivered as a 4 hour face-to-face training session, plus breaks.</p> <p>We offer weekly public attendance first aid courses at our Mayfield West training centre or we can come to your workplace.</p> <p><i>If your organisation is interested in a private / in-house booking to have this course delivered to a group of staff, please contact our head office to discuss booking options. The delivery can be programmed to fit in with your staff and company schedule, at your venue or ours.</i></p>
<p>Assessment requirements</p>	<p><u>Physical Requirements:</u> It is important to note that this CPR element of this course requires a level of physical ability to complete practical assessments. All students are required to perform 2 minutes of CPR on an adult manikin and baby manikin on the floor. If your health or fitness will not allow you to demonstrate this, you will not be awarded a nationally accredited certificate for HLTAID009 Provide cardiopulmonary resuscitation. We can however issue a non-accredited certificate of attendance for cardiopulmonary resuscitation.</p> <p><u>Language Skills:</u> All students must be able to demonstrate an accurate verbal report which would be given to emergency services and workplace supervisor.</p>
<p>Payment options</p>	<p>In order to secure your seat in the course, payment must be made at the time of enrolment. We offer the follow payment options to students our public courses:</p> <ul style="list-style-type: none"> • Credit card • EFT • Cash
<p>Language, Literacy & Numeracy requirements</p>	<p>This course combines plain English, videos, photos, and questioning to ensure all learners are able to have the best possible chance at comprehending the required knowledge and developing first skills that will be needed in an emergency. If you believe you will need assistance due to your Language, Literacy or Numeracy skills, please contact our head office before enrolling to discuss your training needs.</p>
<p>Identification</p>	<p>All students must bring ID with them to the training course. Photo ID is the minimum requirement (e.g. Drivers Licence, Passport or similar).</p>
